Chapter 3.....	21
Chapter 4.....	30

This guide will try to explain the consequences of the major choices in the game so far. You do not need to maximize points all the time, and sometimes choices without points are more interesting/funnier etc. Important or possibly important flags will be marked as [Flag]. Scenes/Memories that can be unlock in the Archive will be marked as [Memory X]. Dataleaks/Bonus Renders aren't included in this guide.

Ctrl+F is your friend.

If a choice in game is not present in this guide, it means it has no real consequences. You can pick whatever you prefer. It has been omitted for brevity.

Chapter 1

Cassandra Flashback

Therapy with Dr. K

2a. *Be calm*

4b. *Leave \$5 tip*

+2 June Love -\$5 [Ch1 June Left Tip]

Important choice!

Actually I should save it

Nothing

Note: Leaving a tip is important for June's path and will provide a few more or extended sex scenes later and is generally the better choice. Not leaving a tip will allow you to pay the whole pizza bill for Kindra get some extra points with her, but doesn't provide anything special.

Meeting Kindra

5a. *Pay the whole bill*

Free Roam in Kindra's Loft

Nothing of real consequence here, explore as you like. Trying to peek on Kindra in the shower has more interesting dialogue later in the game and may be important in the future. End free roam by clicking the window next to the bed. You will get a choice to fantasize about June [Memory 2] (extended if you tipped June) or Kindra [Memory 3]

+2 Kindra Love [Ch1 Kindra Cassie Fight]

Just walk away..

+1 Dr. K Love -2 Dr. K Professionalism [Ch1 Cass Walkaway]

Note: No major consequences. Pick whichever you prefer. Letting Kindra fight Cassie is more interesting and funnier in my opinion.

Meeting INK

There are two paths here, either going with Katy or Zoe, each with their own sex scene. Having previously tipped June will extend both the sex scenes. Ironically going down Zoe's scene seems to be the better choice for Katy in terms of raw points. Katy's scene also gives you a couple more points with June later in the game. Regardless, choice isn't that consequential, just pick which girl you prefer.

Meghan

If you either tipped Meghan in Ch1, or you looked at her at least once during Katy's art date, you can talk

to Meghan. Choose 'it's complicated' and 'my friend is a bartender', get her the pink drink from June and you get a sex scene with her.
