Table of Content

Overview

There are many paths to take, and even more variations and flavor for each path. Since the options are so vast, i marked two paths which combined cover a big portion of the sexy content. Still, even with those two there are some scenes left out as well as many smaller variations acknowledging previous choices.

🌀 : Myriam is stays quite submissive and believes her husband Anthony when he is caught cheating. Anthony's son Marc is able to exploit her submissive side.

🌀 : Myriam starts off submissive, but throws her husband out after catching him cheat. Since Anthony is out, she can pursue a sapphic relationship in Chapter 2 with Lucy. Anthonys son Marc is far less abusive.

The Talk

Story progress: <Sadness>+1

The choice in this chapter has a huge impact on chapter 2, i recommend a hard save here: If Myriam believes Anthony or otherwise submits to him, she will stay in this relationship. If not, she will have more time for herself and can get in a close relationship with Lucy. While both paths share scenes not directly related to those relationships, there are several path-exclusive scenes and even shared scenes often have different text reflecting that choice.

Does Myriam believe his explications?

- • **"Are you fucking kidding me!?"** requires <dominance> 5+ or [ch1_heard_the_dirty_talk] tag 🍥

  [ch1_busted_lips] (renders in following scenes show busted lips)

Cop Double Date

Long sequence with multiple branches: Unlike the Night at the Museum, getting completely wasted (Drinks 8+) isn't strictly better in terms of sex scenes but instead leads to a different scenes: elevator sex scene if not wasted, morning after sex if wasted. Even leaving early can lead to a 1:1 scene with Mike that's not available otherwise.

I recommend to do a hard save here and check out the different paths (esp. getting wasted) that lead to different sex scenes - don't just follow the one marked with 🌀. Also affects how the 2nd cop date later will play out

At home

Paths: Myriam can peek on Katherine having her first time or have sexy times with Marc (or do nothing). Both paths have several subpaths depending on previous choices (Katherine can be lesbian, straight or bi=threesome, Marc can be in a dom, sub or fun relation with Myriam). For now, i would recommend to quicksave and watch Katherines scene, then reload and go down Marc's path if Myriam is in a sexual relationship with him (it leads to more sex down the line)

Does Myriam go see the kids?
- **"Go left to see Marc."** 🌀🌀
  [ch4_go_see_marc]

Story progress: Marc+3, <Risky>+1

Depending on relationship choices in earlier chapters (existing dom or sub relationship):

    Marc+2, <Risky>+1, continue
  - **"No, let's keep it light..."**
    Marc+1, <Risky>-1, skip to At home: calls
- otherwise: Marc+1, skip to At home: calls

Depending on the sexual relationship earlier, the scene is different:
- for [ch3_servicing_marc_as_sub] (sub to marc): 🌀
  Titjob for dominant Marc
  Marc+1, <Dirtiness>+1, <Cum>+1
- for [ch3_servicing_marc_as_dom] (dominating marc): 🌀
  Guided masturbation with more submissive Marc

Does Myriam accept?

  Marc+0 (-1, +1), and no sex scene later

At home: Katherine's first time

    Katherine's first time: sex with William

At home: Calls

Paths: Myriam calls those that sent her good wishes. Doing so alphabetically is a bad idea since it implies she has not interest in anyone specific, but how far reaching (beyond point gain) the choice of a specific person of interest might be is also unknown for now. Best make a save here.

How does Myriam goes about her thanks?

Photoshoot with Flint

Only happens if Myriam is Flints muse [ch3_flints_muse], otherwise skip to Gym

Important: Hard save here! You cannot do both the Photoshoot and the Gym, and its unclear whether choosing one over the other blocks parts of the story. Skipping the Photoshoot sets a tag that suggests it might still be done at a later time. So for now i would suggest to try the photoshoot, then reload and check out the Gym since its vastly more complex. But keep that save...
