

Rise of the Crime Lord Walkthrough (0.11)

This walkthrough was created to help you play the Rise of the Crime Lord.

During the story, you'll meet different characters. With these characters, maintaining a good relationship is important in order to achieve the ultimate goal of the game, which means Rick becomes a mafia boss.

Your choices determine relationships and events. In this walkthrough, I'll show you the choices you need to get the best ending. But first, some useful tips:

Relationships Points: in the background, a point system runs invisibly, these are the Relationships Points. These determine Rick and Cora's relationship with others (XY Friend, XY Romance, XY Professional, XY Jealous, etc.). Some decisions are small (like flirt) and other decisions are highly (like sex) influenced, the latter of which I mark separately during the walkthrough.

The most important thing in the game is to prevent Rick's family and friends from hating him, because in this case, they can leave him, which can be fatal to other characters, including Rick.

HINT: If you sometimes go off a relationship path, it won't be permanent right away. For example, if Rick is romantically associated with Ashley, but you don't want to divorce Cora, then it's worth avoiding kissing Ash in public. This will strengthen friendship, but it is not a permanent friendship. There will be a certain "commitment point" for each characters.

Cora and Rick: Rick and Cora's relationship can develop in three ways during the game.

- They can divorce: to do this, you must follow the „Divorce route” during the playthrough, and at least one character must cheat on the other.
- They can be faithful spouses: in this case, you must follow the „Spouse route”. Furthermore, Rick and Cora must maintain only friendly relationships with opposite-sex characters (XY Friend), all „Lover Routes” must remain closed.

ATTENTION: A threesome remains possible.

- They can live in an open marriage: in this case, you must avoid the Divorce route. Rick and Cora can also have an affair with others (XY Romance), all „Lover Routes” can be opened freely.

ATTENTION! To open the „Open Marriage” route, it is enough for only one party to be unfaithful, so you don't have to go on the NTR route if you don't want to.

Q&A

Will there be a harem route?

No with wife and yes with other women. Cora is the secondary protagonist, so you'll see her thoughts until the end of the game. And she will always have thoughts about other men (and women). You can only influence whether thoughts are followed by action or not.

But, there are (currently) three female characters who don't mind Rick being with other women: Ashley, Miranda and Sam. They can be taken into a harem. I plan to include other women in the harem (e.g.: Kelly, Kendra, Felicité), but these plans are not yet final.

If Rick and Cora get divorced, won't she be in the game anymore?

Cora's going to stay in the game, she's just going to take another path. Unless she dies.

Cora could die?

Every character can die, even Rick.

What happens if Rick dies?

Game Over.

Can the death of another character end the game?

No, but the best ending can't be achieved when certain characters die (e.g.: family members).

How can Rick have sex with Miranda in Chapter 4?

Step 1: Choose Miri in the Prologue (this trigger the step 4).

Step 2: Don't slept with Judit in the Chapter 1 (Rick won't leave the girls at the hospital in Chapter 4).

Step 3: In Chapter 2, don't answer Judit's call (then Cora doesn't come home in Chapter 4).

Step 4: In Chapter 3, go for breakfast with Miri *or* wait until Chapter 4 when Miri and Rick stay home together. In either case, choose the Friendship with Benefits option (this open the Miri Lover route).

Step 5: In Chapter 4 hug and kiss Miri (it strengthens the romantic path).

Step 6: Fun with Miri in Chapter 4 (if she blows Rick at night, you're on the right track, sex will be the next morning).

How can Rick have sex with Nicole in Chapter 5?

All you have to do is not call Tim at the very end of Chapter 1 (the „Terence Hate route” remains closed).

How do I get Terence to ask Rick to take care of Kendra?

The answer is the same: don't call Tim at the very end of Chapter 1. If you do, then Terence in Chapter 5 will ask Rick to take care of his wife. Rick will be visiting Kendra for the first time in Chapter 7.

How can Rick have sex with Kelly in Chapter 9 Part I?

Step 1: In Chapter 2, Rick cannot go with Jake to the Diesel.

Step 2: Also in Chapter 2, when he sees Kelly and Alec, he has to make a video of them.

Step 3: In Chapter 3, when he visits Jake, he must not offer to help him.

Step 4: In Chapter 7, Rick cannot offer to help Kelly.

PROLOGUE: THE BEGINNING OF THE END

Judit's home

- „It's shit show, but I pretend to believe it.” (Crowe Friend) or „Of course... Oooh sure...” (Crowe Professional Relationship).

Hint: In the case of male characters, it is worth preferring a friendly relationship, giving you more loyalty and more opportunities.

In the ruined room

- „That's enough.” – If Gabe shoots Clu, it can cause trouble later.

In Judit's home

- „Do I choose safe, but boring homework with Ash?” (**Miri Ex-Girlfriend route close**) or „Or do I choose exciting peeping with Miri?” (**Miri Ex-Girlfriend route open**).

Hint: If Miri Ex-Girlfriend route is closed, it will be easier to reconcile the sisters later, but the story will be more exciting if Rick and Miri have a shared past.

(If chose Ashley.)

- „I think honesty will be the best.” (Ash Friend) or „A little lie can't hurt.” (Ash Romance).

CHAPTER 1: THE PAST IS PAST

Judit's home, Rick's room

From the photos you can find out a few little things about Rick's family.

Judit's home, living room

- „I'm going to hug her.” (Judit Romance) or „I kiss her cheek.” (Judit Friend).
- „I have to ask.” – Find out more about Crowe and Judit's relationship
- „I'd rather not force.” – You avoid the subject and an intimate moment between Rick and Judit

(If you asked about Crowe.)

- „I'm trying to get under her shirt.” (Judit Romance) or „I gently push her away from myself.” (Judit Friend).

Judit's home, corridor

- This decision has no effect, choose at will.

Terence's home

- „I knock once more.” (Terence Friend and Kendra Friend) or „Maybe the door is open...” (Kendra Romance)

In the bar

- „I break his arm.” (Violent crime route) or „That's enough lessons.” (Smart crime route).

Hint: If you choose the Violent crime route, it will be easier for you in Chapter 5, but some events will not happen in Chapter 5 and Chapter 7.

Judit's home, night

(It only appears if the Judit Romance is already high.)

- „Can I be even more reckless?” (Judit Friend) or „Time to take the move.” (Judit Romance).
- „I'm not going to think about it all my life.” (**Judit Lover route open**; this is Judit commitment point) or „It's good if I never get an answer to this question.” (**Judit Lover route close**).

Hint: If the Date with Judit route closed in Chapter 2, but you want a good relationship with Judit, then it is better to keep the Judit Lover route closed in this time.

(Judit Lover route)

- „I want to see her face.” – Missionary position.

- „Her ass fascinated me.” – Doggy position.
- „Now she's pampering me.” – Cowgirl position.

Judit's home, morning

- „I keep what I promised myself.” (Terence Professional Relationship, **Terence Hate route close**) or „I'll be a good man tomorrow.” (Terence Hate, **Terence Hate route open**)

Hint: If you open the Terence Hate route, the game gets harder and options like the Kendra Lover route and the Terence-Kendra Swinger route remain closed.

CHAPTER 2: THE TROUBLE COME WITH WOMEN

In the SSG

- „I'll be a gentleman.” (Spouse route) or „A little flirting can't hurt.” (Rachel Romance).

Hint: If you want to achieve Open Marriage then you can choose the romance option when both Spouses and XY Romance are available.

- „I think I could have some relaxation.” – **Open the Diesel** route and the **Porn Producer** route. If you don't go to Diesel (**Overtime** route), some options will be close in later chapters.

In the strip club (Diesel route)

- „Alright, I'll call her sometime.” (Crowe Friend).
- „But gently.” (Jerry Friend) or „Not tolerating the contradiction.” (Jerry Professional Relationship).

Hint: If Rick gets together with Kelly later, you better go the Jerry Professional route.

In the SSG (Overtime route)

- „I need proof.” – If you do not record, you can still be successful later, but more options remain closed.

Rick's home, evening

(If Miri Ex-Girlfriend route closed.)

- „And I can't suppress this feeling. Not anymore.” (Ash Romance) or „I didn't tempt the fate.” (Ash Friend).

Cora's office, evening

- „No!” (Faithful route) or „Yes!” (NTR route).

Rick's home, evening (Faithful route)

- „Come here, beauty!” – Missionary position.
- „I've said many times, I'm a man of action.” – They have sex while standing.
- „I cum in her pussy.” – no need to fear, no child will be born.
- „I cum on her breast/face.” – no comment.
- „I cum in her mounth.” – I think that's clear.

Rick's home, morning (NTR route)

- „OK.” (Divorce route) or „Me too,” (Spouse route).

In the SSG, reception

- „She doesn't need to know the truth.” – The other two options worsen Rick and Rach's relationship; Rick will need her later.

(Diesel + Faithful route)

- „I'll be better not to risk.” – Blackmail can be successful the other way, but without solid evidence, problems may arise later.
- „Maybe it's worth the risk.” – The other option on this path will result in Game Over.

(Diesel + NTR route)

- „Maybe it's worth the risk.” – The other option on this path will result in Game Over.

(Overtime + Faithful route and Overtime + NTR route)

- There is no decision situation on these two routes.

In the SSG, Rick's office

- „That's enough.” (If no video) or „Well, there's one thing...” (If there's a video and you're curious about Kelly's boobs).
- „I owe her so much that I'll listen to her.” – The **Date with Judit route** will open in the Chapter 3. The other two options will open the **Date with Sam route**, also in the Chapter 3.

Hint: if you want a good relationship with Judit, you might want to open the Date with Judit route. Plus that road is a lot more exciting.

In the SSG, elevator

- „But Rach can't expect more because of Cora.” (Sam Friend) or „Here's the chance, Rick. Do it!” (Sam Romance).

Ashley's home

(If Miri Ex-Girlfriend route closed)

- „A quick glance can't hurt.” (Ash Romance) or „Be a good boy, Rick.” (Ash Friend).
- „If you need money, I'd like to lend it.”
- „I will not stay.” (Ash Friend) or „I stay, but only for a kiss.” (Ash Romance; open the **Ash Lover route**).

Rick's home

- „I am going to bed.” – immediately jump to the last scene.
- „I'll see some movie and then I'll sleep.” – Star Wars fans should come here. ☺

- „I jerk off.” – no comment.

(If jerk off.)

- „Ashley, who else?” – if you looked Ashley in her apartment, you get a bonus image.
- „Cora, of course.”
- „After the today's day only Kelly.” – If you saw Kelly's breast, you get a bonus image.
- „Sam fired my desires, be she.”
- „Rachel, the little fiery bitch.”
- „I'm watching porn.”

CHAPTER 3: THE WIND OF CHANGE

Rick's home, morning

(If Miri Ex-Girlfriend route open)

- „After all, I swore faithfulness, not blindness.” (Miri Romance) or „The past is the past, it's better not to bother.” (Miri Friend).

(If Ash Lover route open)

- „I listen to my heart” (Ash Romance) or „I listen to my mind.” (Ash Friend)
- „I just got tired of both of them.” (Good Sisters) or „Ashley is right.” (Bad Sisters; You're standing on Ash's side) or „Ashley is unfair to Miranda.” (Bad Sisters; You're standing on Miri's side).

Hint: if you are on Ash or Miri's side, you will improve your relationship with your chosen one, but if the twins have a bad relationship, it can be a big problem later if either or both of them become Rick's lover.

- „Why not do something together?” (Trio route) or „They need to talk, they should be left alone.” (Rick alone route) or „The truth is, I prefer Ash.” (Rick & Ash route) or „After all, first I promised Miri.” (Rick & Miri route)

Hint: If only one girl goes to breakfast with Rick, the other gets angry with him, plus the sibling relationship gets worse.

- „I'll reply in a quick message.” (Spouse route) or „I'll call her later.” (Divorce route).

In the park (Trio route)

- „The last one.” (Good Sisters) or „The first one.” (Bad Sisters).

In the park (Rick & Ash route)

(If Ash Lover route open)

- „Damn the risk! I grab her ass.” (Ash Romance) or „I'd rather not risk it, I'm happy with the kiss.” (Ash Friend).

(If Ash Lover route close)

- „Her ass is calling me.” (Ash Romance) or „I'm happy with hugging.” (Ash Friend).

Don Papa's Dinner (Rick & Ash route)

- „I won't leave her.” (Good Sisters) or „Now I let this go.” (Bad Sisters)

(If Ash Lover route open)

- „I touch her hand.” (Ash Friend; **Madison Bribe route** close) or „I kiss her.” (Ash Romance; **Madison Bribe route** open)

(Madison Bribe route)

- „Here goes nothing.” – In the other choice, Madison reports on Rick and Ash to Cora (Divorce route), but if you want to divorce Cora, even then it is worth trying the bribe.
- „I'll give her \$ 25.” – Divorce route Madison's going to tell Cora about the kiss and how Rick tried to bribe her.
- „I'll give her \$ 50.” – Madison accepts the money and doesn't talk about the kiss, but if she sees Rick again in a similar situation, she'll tell Cora.
- „I'll give her \$ 100.” – Madison accepts the money, doesn't talk about the kiss and will be lenient to a certain limit.
- „I'm going to threaten her.” – Madison is guaranteed to be silent and will not say anything later, but she will hate Rick and the story linking to Don Papa's Dinner remains closed. (This option only becomes available once your criminal activity has reached a certain level.)
- „I ask her a favor.” – Madison is guaranteed to be silent and will not say anything later, in addition, an alternative route opens up for Don Papa's story. (This option only becomes available once your criminal activity has reached a very high level.)

Don Papa's Dinner (Rick & Miri route)

(If Ash Lover route open)

- „I'll be honest.” (Miri Romance) – If Miri Ex-Girlfriend route is open, there is another option, but only choose it, if you are building a romantic relationship with Ash and you don't want more than friendship with Miri.

(If Miri Ex-Girlfriend route open)

- „Let's be just friends.” (Miri Lover route close) or „I like the friends with benefits option.” (Miri Lover route open).

Hint: The „This is a difficult. Can we postpone it later?” option is neutral, but if you choose this, until you commit, some options will remain closed.

Don Papa's Dinner (Rick Alone route)

- „I just order.” (neutral choice) or „Maybe she need a little flirting.” (Madison Romance).

Ash's apartment

(This scene only appears on the Trio and the Rick & Ash route.)

(If Ash Lover route open)

- „I kiss her.” (Ash Romance) or „I'd rather not do it.” (Ash Friend).
- „We need to finish this now.” (Ash Friend) or „I'll go a little further.” (Ash Romance)

(If Miri Ex-Girlfriend route closed)

- „Part of the truth will be enough.” (Ash Romance) or „She deserves to know the full truth.” (Ash Romance and Bad Sisters)

(If Miri Ex-Girlfriend route open)

- „I'm lying, it'll be better for everyone.” – The other option can cause very serious damage to both Ash-Rick's and Ash-Miri's relationship.

(The next choice appear if Ash and Rick have not started a love affair or their friendship has grown in the meantime.)

- „I would never risk that much.” (Ash Friend) or „I kiss her.” (Ash Romance, Ash Lover route open).

Hint: If this option appears and you choose Ash Friend again, you will close the Ash Lover route permanently.

Jake's home

(If you opened the Overtime route in Chapter 2.)

- „I offer my help.” – Open the **Porn Producer route**. With the other choice, Rick is permanently excluded from the porn industry, which makes it impossible to get the best ending. Rick automatically assists Jake and open the Porn Producer route if you chose the Diesel route in Chapter 2.

On the way to the date

- „I'll call Cora.” (Spouse route) or „I'll think about what happened.” (Divorce route).

(If you called Cora.)

- „I'll talk about Judit.” – If you're open the Date with Judit route.
- „I mention Sam.” – If you're open the Date with Sam route..
- „I'll tell her about Miri.” – If the Miri Ex-Girlfriend route is open and you chose the Spouses route, this should be mentioned!
- „I'll talk about Jake and Beth.”
- „I'll talk about the blackmail.” – This will only appear if you have selected the Faithful route in Chapter 1.
- „I'll ask her how she is.” – Spouse route.

Hint: Rick can't tell everything to Cora because of the little time, but if you choose in the right order, he can tell her all that matters. The order is as follows:

1. *Mention Judit (if possible).*
2. *Talk about Jake and Beth.*
3. *Talk about blackmail (if possible).*
4. *Mention Miri.*

Hint: If you are on Date with Sam route, then you can talk about Sam first, but this is not mandatory. In fact, if you don't want to divorce Cora, you better not talk about the meeting.

(If you talk about Sam.)

- „We can say so. (Spouse route) or „This is not entirely true.” (Divorce route).

Sam's home (Date with Sam route)

- „I strongly agree.” (Sam Friend) or „You have nothing to hide.” (Sam Romance).
- „With a polite compliment, I give the signal.” (Sam Friend) or „I could be bolder.” (Sam Romance).
- „I'd rather stay honest.” – The other option worsens Sam and Rick's relationship.

(If you chose honesty.)

- „I'll be your good friend.” (Sam Friend) or „I want to be more than a friend.” (Sam Romance).

(If you lied to Sam.)

- „I'll admit the truth.” – Everyone is given a second chance to correct their mistakes, in which case it is. Sam's anger toward Rick diminishes, but so does the friendship and romance.

Judit's home (Date with Judit route)

- „I'll wait on the couch.” (Judit Friend) or „I'll go up and see her.” (Judit Romance; is only available if you have opened the Judi Lover route)
- „You look good as always!” (Judit Friend) or „You're hot as always!” (Judit Romance).
- „I'm aiming his temple.” (if you really want to make Hayden angry) or „I'm aiming at the ribs.” (if you just want to make this psychopath a little angry)

(If Rick was targeting the temple.)

- „I'm trying to get my balance back.” (Hayden kicks Rick) or „I'll fall.” (Rick kicks Hayden)

Hint: Although the game gets harder if Rick makes Hayden angry – he can kill the protagonist several times – it's worth knocking out, because that will greatly determine Rick's underworld status in the future.

CHAPTER 4: FORCED ACTION

Date with Judit route

In the hospital

There is no decision on this route at this stage, events are influenced by previous decisions.

Rick's home, night

There is no decision on this route at this stage, events are influenced by previous decisions.

- „She takes care of herself, I like it.” (Sam Friend) or „Does she look like that when neglects herself?” (Sam Romance)
- „I'd rather stay honest.” – The other option worsens Sam and Rick's relationship.

(If you chose honesty.)

- „She is strong...” (Sam Friend) or „... and beautiful.” (Sam Romance).

(If you lied to Sam.)

- „I'll admit the truth.” – Everyone is given at second chance to correct their mistakes, in which case it is. Sam's anger toward Rick diminishes, but so does the friendship and romance.
- „I'll give her a kiss on her cheek.” (Sam Romance) or „I leave.” (Sam Friend)

On the Promenad

- „I'll tell her everything.” (Spouse route) or „I won't tell her more.” (Divorce route)

Hint: This is a point of commitment. If you don't tell her everything, though Rick and Cora won't break up yet, but their relationship will deteriorate so much that divorce in a future chapter will either become optional or inevitable. If Cora leaves Rick at the end of the conversation, you're moving on to the latter case.

Date with Sam route

In the hospital

- „Someone attacked her.” – If you want a friendship or romantic relationship with Sam, choose this so later she can more easily understand why Rick became a criminal.
- „I'll give her a kiss on her cheek.” (Sam Romance) or „I'll let her go.” (Sam Friend)

Rick's home, night

If Rick didn't quarrel with the girls at the hospital.

(If Miri Ex-Girlfriend route open)

This choice only appears if you didn't choose the Rick & Miri route in Chapter 3.

(If Ash Romance route open)

- „I'll be honest.” (Miri Romance) – If Miri Ex-Girlfriend route is open, there is another option, but only choose it, if you are building a romantic relationship with Ash and you don't want more than friendship with Miri.
- „Let's be just friends.” (Miri Lover route close) or „I like the friends with benefits option.” (Miri Lover route open).
- „If she invited me...” (Miri Romance) or „Of course I might be wrong.” (Miri Friend)
- „I think that's all.” (Divorce route, if Rick hadn't replied to her message before) or „There's one more thing here.” (Spouse route) – the second option only becomes available if Rick did not respond to Cora's message in Chapter 3.
- „I embrace her shoulder encouragingly.” (Miri Friend) or „I hug her.” (Miri Romance)

(If you hugged Miranda)

- „I'll do it, I'll kiss her.” (Miri Romance) or „But I'd rather not do it.” (Miri Friend)

Hint: If you haven't had the opportunity to open the Miranda Lover route before, with this choice you will have a chance at a later chapter (there will be another chance later).

(If Miri Lover route open)

- Lying on a sofa (Miri Friend) or Fun with Miri (Miri Romance)

Hint: While there is no consequence here, if the Miri Lover route is open and you frequently reject Miri's offer, the route may close and Miri may be angry with Rick.

Rick's home, night

If Rick got into a fight with the girls in the hospital.

- „I think that's all.” (Divorce route, if Rick hadn't replied to her message before) or „There's one more thing here.” (Spouse route) – the second option only becomes available if Rick did not respond to Cora's message in Chapter 3.

In Horizon Bay

- „I have to reject it.” (Argay Jealous) or „An another meeting isn't the end of the world.” (Argay Romance)

Hint: Argay is a potential romantic relationship for Cora (if she divorces Rick, Argay could be her husband in the future), and a possible and important ally for Rick. If Cora starts seeing him but doesn't separate from Rick (Argay Jealous), the best end of the game becomes unattainable.

Rick's home, morning

(This choice only appears if Miri Lover route is open and Rick has not rejected Miri.)

- „No life without risk.” (Miri Romance) or „But maybe it's better not to risk it.” (Miri Friend)

(This choice only appears if Miri Lover route is open, Rick went to have breakfast only with Miri, he hug and kiss her, and did not refuse her in the evening.)

- „And I want more!” (Miri Romance) or „But maybe it's better to stop now.” (Miri Friend)

Hint: In these cases, the rejection does not yet close the path of Miri Lover, but you can move in that direction with it.

This choice comes when the Miri Lovers route is closed, but the night Rick kissed Miri.

- „But what? I kiss back!” (Miri Romance) or „I'm not kissing back.” (Miri Friend)
- „Finding a job is a good activity.” (Miri Friend) or „There is something to do in the apartment.” (Spouse route) or „She could spend time with her family.” (Good Sisters)

In the park

- „I have to agree unconditionally.” (Terence Friend) or „I have to agree, but only on condition.” (Terence Hate if Rick called Tim in Chapter 1, and Terence Professional Relationship if not)

In the Diesel

- „I remind him that he owe me.” (Crowe Professional Relationship) or „I remind him how much trouble Judit is.” (Crowe Friend)

On the Promenad

- „I'll tell her everything.” (Spouse route) or „I won't tell her more.” (Divorce route)

Hint: This is a point of commitment. If you don't tell her everything, though Rick and Cora won't break up yet, but their relationship will deteriorate so much that divorce in a future chapter will either become optional or inevitable. If Cora leaves Rick at the end of the conversation, you're moving on to the latter case.

CHAPTER 5: PATH OF SIN

In the morning at SSG

- „I'll flirting with Rachel” (Rachel Romance) or „I'm going to my office” (Rachel Friend) – If you've already flirted with Rachel in Chapter 2, choose it here too. If not, you should avoid flirting again.

In the basement of Diesel

- „I didn't expect such a hot thief.” (Jess Romance) vagy „She looks good, but now is not the time to flirt” (Jess Friend).
- „It will be better now not to mention the past.” (**Malcolm Problem route open**) or „He may need the reminder” (**Malcolm Problem route close**)

Hint: If you just beat Malcolm in Chapter 1 but didn't break his arm, there will still be problems, but not as serious as if Malcolm doesn't know who Rick is. But if you open the Malcolm Problem route, criminal reputation will increase dramatically, which could come in handy later.

With Nicole

If Terence Hate route open

- „I'll relent, just once” (Open Marriage route) or „Mm, I'm sticking with „no”” (Spouse route)
- „I chose the lap dance” or „I choose blowjob” – the blowjob increases the chances of an Open Marriage to a greater extent.

Hint: Whether you reject Nicole's offer or accept it, from here, Rick can use Diesel's services for money.

If Terence Hate route close

- „Yes” or „No” – If you choose “yes,” Nicole will only offer a blowjob after the conversation, if “no,” Rick can also slept with her. The sex increases the chances of an Open Marriage to a greater extent.
- „No, it's not me” (Spouse route) or „Yes, absolutely” (Open Marriage route)

Hint: Whether you reject Nicole's offer or accept it, from here, Rick can use Diesel's services. Nicole's going to work for free, but the other girls are going to work for money.

In the basement of Diesel

- „Not much today, it's true.” (Jess Friend) or „She not be more wrong!” (Jess Romance)

- „My intentions are strictly honorable” (Jess Friend and Jess Romance) or „Oh, I really care about that pantie” (Jess Romance and Jess Hate)

Hint: Jess is a complicated woman. She likes it when a guy hits on her, but at the same time she condemns infidelity. So for her case, you have to balance between open flirting and fidelity if you want a romantic relationship.

In the warehouse after the robbery

(This choice only appears if Rick reminded Malcolm of what happened in Chapter 1 and he just beat him, but didn't break his arm.)

- „I'll take care of this one myself” (Violent crime route) or „I'll leave Tim be” (Smart crime route).

CHAPTER 6: FROM A CERTAIN POINT OF VIEW

(Although the chapter can start in three different ways, there are actually only two paths. On one, Cora and Rick's marriage is "good" or "still easy to save" and the other is "almost irredeemable.")

If Rick and Cora's marriage is "good" or "still easy to save" (Spouse route or Open Marriage route):

- „A's better than the other two.” – Nothing's happening, Cora's going to work.
- „I'm hungry, so B.” – Cora's going to the Don Papa's. If Madison saw Rick and Ash kissing in Chapter 3, and Rick didn't pay her off, she's going to tell Cora (Divorce Route). Otherwise, the waitress won't say a word.
- „C. Mira can brighten my day.” – **Miranda-Cora Lover route** opens, which can lead to Cora-Miri sex and the Rick-Cora-Miri threesome.

If the chapter started at Rick's apartment, and Cora waits for Miri, and they didn't talk in Chapter 4:

- „Let's save some time.” – Cora and Miri don't dress up (Miranda-Cora Romance and Open Marriage route)
- „I'll wait for her to wash up.” – They talk in clothes (Miranda-Cora Friend and Spouse route)

If the chapter starts on the street and Cora goes home:

- „I'll do it, I'll look at her.” – Cora peeks at Miranda while she dressing (Miranda-Cora Romance and Open Marriage route)
- „I'd rather not take any chances.” – Cora waits downstairs (Miranda-Cora Friend and Spouse route)

If Rick and Cora's marriage is "almost irredeemable" (Divorce route):

- „I'm going to work.” – Nothing's happening, Cora's going to work.
- „I'm going to get something to eat.” – It's the same as the other route. If Madison saw Rick and Ash kissing in Chapter 3, and Rick didn't pay her off, she's going to tell Cora (Divorce Route). Otherwise, the waitress won't say a word.

At the restaurant with Beth:

No matter how you answer Beth's question, she's going to be ruthless.

Hint: Although Rachel may find out that Cora is cheating on Rick (NTR route), she won't tell Rick right away. Rachel won't tell him that unless their relationship reaches a certain point, and Rick doesn't break up with Cora until then. Rachel Lover route will be opened for the first time in Chapter 7.

At the H&W:

(The next option will only appear if Cora has slept with Daniel in the Chapter 3)

- „It's not betrayal, so I can have some fun.” (Open Marriage and NTR route) or „That's betrayal, and I'm not going to do that.” (Spouse routes)

CHAPTER 7: AWAKENING

Morning, Rick's home

(This decision will only appear if Rick and Cora's marriage is good.)

- „Okay, maybe next time.” – There will be no sex.

(This decision will only appear if the Miranda-Cora Lover route opened.)

- „Who needs the bedroom for this?” (Open Marriage and Miranda-Cora Romance) or „It'd be better without an audience.” (Miranda-Cora Friend)

At the SSG

- „I'm going out to Rachel.” (Rachel Romance) or „I'm going to get to work.” (neutral choice)

(This decisions will only appear if Rick went to Rachel's.)

- „I could give her a massage.” (Rachel Romance and Open Marriage) or „She'll get over it.” (Spouse route)
- „I'm offering her my help.” (Rachel Romance) or „She can handle it on her own.” (neutral choice)

„I'm going to go say hello.” (Sam Romance and Rachel Jealous) or „I'd rather not break tradition.” (Sam Friend)

- „I'll wait for Jake.” – Lunch with Jake (Jake Friend)
- „I'm going to ask Sam out to lunch.” – Lunch with Sam (Rachel Jealous)
- „I'm going to ask Rach out to lunch.” – Lunch with Rachel (Rachel Romance)
- „I'd rather eat alone.” – Lunch alone (neutral choice)

Hint: Sam won't be in her office, so she can't be invited, and after that, Rachel won't be available.

(This decision will only appear if you tried to ask Sam out to lunch.)

- „Then I'll wait for Jake.” – Lunch with Jake (Jake Friend)
- „I eat alone.” – Lunch alone (neutral choice)

Afternoon, in Kelly's office

- „All right, fine.” – Rick's leaving Kelly.
- „I'm not letting this go.” – Rick interrogates Kelly.

Hint: It's a good idea to choose the interrogation because it'll get Rick the information that's going to be important in the future.

(This decision will only appear if Rick doesn't leave Kelly.)

- „I'm going to get her out of this mess.” (Kelly Romance) or „At least one problem less.” (Kelly Hate)

Hint: If you don't help Kelly, she's going to get fired. Blackmail, on the other hand, will continue, but there will be no serious dangers. So Rick's going to be able to abuse of blackmail. But if you help her, she could become a serious ally within the SSG, which may be needed later.

- „I'll ask Sam.” – Rick and Sam are going out for coffee (Sam Romance).
- „I'm going to Kendra's.” – Rick's going to see Kendra. This decision will only appear if the Terence Hate route remained closed at the end of Chapter 2.
- „I'm taking care of Malcolm.” – This decision will only appear if the Malcolm Problem route is open.
- „I'm going home.” – This decision will only appear if the Malcolm Problem route is close (neutral choice).

Hint 1: If you choose Sam, then you can still go to Kendra and Malcolm. If you go to Kendra first, then you can only go to Malcolm. If you go home, all other options will be lost.

Hint 2: If the visit Kendra option isn't available, but Malcolm Problem route is open, you shouldn't choose Sam. Because if Rick goes to Malcolm as a second choice, the game gets a bad ending. So either you go to Malcolm right now, or you meet Sam and Kendra first.

With Sam

- „What about the wreck?” – Sam Romance. This decision will only appear if you dated Sam in Chapter 3, not Judit (Date with Sam route).
- „How are you doing with the wrap?” – Sam Romance. This decision will only appear if you dated Judit in Chapter 3, not Sam (Date with Judit route).
- „What about your husband?” – Sam Friend
- „It's a nice day.” – Sam Friend
- „Do you have plans for the weekend?” – Sam Romance

Hint: Rick can only ask about two things.

- „I'm going to Kendra's.” – Rick's going to see Kendra. This decision will only appear if the Terence Hate route remained closed at the end of Chapter 1.
- „I'll take care of Malcolm.” – This decision will only appear if the Malcolm Problem route is open.
- „It's time for me to go home.” – This decision will only appear if the Malcolm Problem route is close.

Hint: If the visit Kendra option is available, it's a good idea to choose it to avoid a bad ending. If not, a bad ending is inevitable.

With Kendra

- „All right, well, I might as well go.” (Kendra Hate and Kendra Friend) or „Or I could stay a little longer.” (Kendra Romance)

- „After all, I promised to entertain her.” (Kendra Romance and Open Marriage) or „She's still my friend's wife.” (Kendra Friend)

Rick's home

- „And I won't let it.” – Rick and Cora are having sex. The other option is a neutral choice.
- „I'd rather be with my family.” – Rick's spending the night with the family. **Family Time route** is open.
- „I could invite Ash to dinner.” – Rick's asking Ash out. This decision will only appear if the Ash Lover route is open. **Date with Ashley route** is open.
- „If I want excitement, Miri's my girl.” – Rick's asking Miri out. **Party with Miranda route** is open.

Hint: If you choose family, you can improve your relationship with Judit, Ash, and Mini and strengthen the relationship between the sisters. The latter increases the chances of Rick having a threesome with the twins. If you choose Ash, you can take the next big step in Rick and Ashley's relationship. And with Miri, you can improve Rick's relationship with her depending on the decisions you've made before.

All three events are interrupted by Cora and Carla's dinner. You can read about the decision there during the "Dinner with Carla" section.

Family Time route

- „I'll take Judit.” (Ashley Friend, Miranda Friend, Good Sisters, Judit Romance/Judit Friend) or „Ash and I are sure to win.” (Ashley Romance, Miranda Hate, Bad Sisters) or „With Miri, the odds of the teams would be equal.” (Miranda Romance, Ashley Hate, Bad Sisters)

Hint: If the Ashley Lover route is open and you choose Ash, then you'll get extra Ashley Romance points. If choose Miri, the Ashley Hate points will grow better.

Date with Ashley route

(This decisions will only appear if, in Chapter 3, Rick had breakfast alone /Rick Alone route/ or with Miranda /Rick & Miri route/.)

(If Miri Ex-Girlfriend route closed)

- „I'd rather not tell her the whole truth.” (Ash Romance) or „She deserves to know the whole truth.” (Ash Romance and Bad Sisters)

(If Miri Ex-Girlfriend route open)

- „I'm lying, it'll be better for everyone.” – The other option can cause very serious damage to both Ash-Rick's and Ash-Miri's relationship.

(This decision will only appear if Rick told the truth and slept with Miri in Chapter 4.)

- „Now it's better to lie.” – Rick have to lie if he doesn't want Ash to hate Miri forever, making the threesome between him and the twins impossible.

In the Parking

- „We'd better wait a little longer.” (Ashley Romance) or „I'll do it.” (Ashley Romance and Open Marriage)

Hint: Although the number of romance points increases in both options (Ashley likes that Rick's not rushing), if Rick makes the move now, he can sleep with Ashley in Chapter 9 or 10. After that, Rick can't have any sexual relations with Miranda (including the Cora-Miri-Rick threesome) until the Ash-Miri-Rick threesome happens. So if you want to have more fun with Miri, now's a better idea not to make the move.

- „I'll tell her the truth.” – For many reasons, it is preferable to choose this option. That way Miri will have Rick's back in case Cora sees something in the future, and Miri won't be upset if she finds out from Ash later what happened.

Party with Miranda route

- „But I'd better keep my cool.” (Miranda Romance) or „Or rather, I don't.” (Miranda Hate)

Hint: Miri hates tough guys. It's worth keeping in mind throughout the game.

(This decision will only appear if the Miri Lover route is closed and Rick don't kissed Miri in Chapter 4. Otherwise, Rick automatically kisses Miranda.)

- „But I'm resist.” (Miranda Friend, Spouse route) or „I kiss her.” (Miranda Romance, Open Marriage, the **Miri Lover route** open).

(This decision will only appear if Rick kissed Miranda, either after a decision or automatically.)

- „I'd rather not risk that much.” – The night will be end (Miranda Friend, Spouse route)
- „I'll do it.” Rick finger Miri (Miranda Romance, Open Marriage)

(This decision will only appear if Rick don't kissed Miranda.)

- „Cora.” (Spouse route, Miranda Friend) or „Ash” (Miranda Friend, Open Marriage and Bad Sisters) or „Both.” (Open Marriage, Miranda Friend)

(This decision will only appear if Rick fingered Miri and the Miri Ex-Girlfriend route is open.)

- „We'd better go home.” – Rick and Miri will be home before Cora does (Miranda Friend, Spouse route)
- „I can't get enough of her.” – Rick fucks Miranda. (Miranda Romance, Open Marriage)

Hint: If Rick sleeps with Miri, Cora will be home when they get home. And she's going to know what happened, so you can collect some divorce points. The least you get is if Cora cheated on Rick and she was hitting on Miri, too. You get the most points if Cora stayed faithful to Rick, she wasn't hitting on Miri and knows about Ash.

Dinner with Carla

- „I'd rather not.” – the Carla Lover route close (Carla Friend, Spouse route)
- „Screw it, we live once.” – the **Carla Lover** route open (Carla Romance, Open Marriage)

CHAPTER 8: DAWN OF A NEW LIFE

In the basement of Diesel

(This option only appears if Malcolm is dead.)

- „I'll keep it.” – In this case, Rick receives \$ 1 365 000 and Crowe Respect increases.
- „Split it up.” – In this case, Rick receives \$ 1 171 000 and Crowe Friend increases.

- „I'll handle Jess's money.” – Rick takes Jess the money. It could improve their relationship.
- „You do it.” – In this case, Rick will not meet Jess.

With Cora in the Diesel/office

(If Rick told Cora everything in Chapter 4, they meet at Diesel, otherwise the conversation takes place in Cora's office. Whatever the location, the choices are the same.)

- „No, the risk is too high.” – If you choose this, it will seriously damage Cora and Rick's marriage. If Rick didn't tell Cora everything in Chapter 4, then their marriage becomes almost unsalvageable at this point.
- „But it can even pay off.” – This will greatly improve Rick and Cora's marriage, and they will then have sex.

Hint 1: If they are in the office and if Cora cheated on Rick with Daniel earlier, and now Rick gives Cora the money, then Rachel gets some extra scenes towards the end of the chapter.

Hint 2: If Rick gives Cora the money and Malcolm are dead, she accompanies her husband to Terence. This will greatly help Rick and Terence's friendship. (If Abby is also dead, then Cora goes with Rick anyway.)

Hint 3: If Rick gives Cora the money, it may have unpleasant consequences in the future, but there will also be benefits.

Cora in the Diesel

(This scene is only shown if Cora met Rick in the Diesel.)

- „Screw it, I'll wait here.” – In this case, Cora will wait for Tim at the bar and have no relationship with him.
- „I'm Rick's wife, I'll be fine.” – Cora gets to see Tim and Leila in action. And it opens the **Cora-Tim route**.

Hint: When Cora goes to peek, she sees two different scenes, depending on whether Rick gave her the money or not.

With Jess

- „Okay, I can get rid of the shirt.” – Jess Romance.
- „Let's just stay within certain limits.” – Jess Friend.

In the hospital

(This scene only appears if Rick has met Judit in the Chapter 3 and fought with Hayden.)

- „I'm taking the opportunity.” – Winters becomes Rick's spy. Open the **Winters Spy route**.
- „I will not put her in danger.” – In this case, Winters is not helping Rick, and the Winters Spy route remains closed.

Hint: Whether nurse Winters helps Rick will influence several events in the future. For example, the life of an important character will partly depend on Winters. Of course, if she helps Rick, her life will be in danger.

In the gym

(The next option only comes up if Ash Lover route is open, but in Chapter 7 they did not have oral sex.)

- „I kiss her on the cheek.” – It slightly increases the Ashley Romance.
- „I kiss her on the lips.” – It greatly enhances the Ashley Romance.

(This scene is only shown if Sam is in the gym.)

- „Of course I do.” – Rick watches Sam get dressed (Open Marriage route).
- „Although someone may come.” – Rick does not peek at Samantha (Spouse route).

(If Rick is peeping.)

- „Unless I sneak after her.” – Rick peeks in on Samantha in the shower. He also has the opportunity to see two other women (Open Marriage route).
- „Which would be stupid.” – Rick goes to get dressed (Spouse route).

Hint: Going after Sam is only worthwhile if there was no oral sex between Rick and Ash in Chapter 7 and/or Malcolm is dead (but Abby is alive). Otherwise, you won't find out how Ash is repaying Rick for the night before, and he won't get to visit Sam.

In the H&W

(If Carla Lover route open.)

- „I could give her a massage.” – Carla Romance and Open Marriage route.
- „Or would that be too pushy?” – Carla Friend and Spouse route.

(If massage.)

- „That's enough for today.” – Carla Friend and Spouse route.
- „One more thing I can do.” – Carla Romance and Open Marriage route. Cora kiss Carla.

Hint: If Cora kisses Carla and has sex with Daniel in Chapter 3, then you will see extra scenes with Rachel later in this chapter.

With Sam

*(You can see this scene if Malcolm isn't dead or Malcolm **and** Abby are dead, Sam has gone to Ashley's gym and Rick hasn't snuck into the shower after her.)*

- „I can't wait for she to work under me.” – Sam Romance.
- „It must be better than working with Kelly.” – Sam Friend.

With Sam, Cora and Abby

(You can see this scene if Malcolm is dead, but Abby is alive.)

- „Maybe a few good words would help.” – Sam Friend.
- „To hell with words.” – Sam Romance.

With Kendra

(This scene will only appear if the Terence Hate route remained closed at the end of Chapter 2.)

- „I get the job done quickly.” – Rick finishes his work, no more searching on the laptop.
- „Maybe there is something interesting on it.” – Rick does some digging on the laptop. Crime Rate rise.

(If digging.)

- „I'm only interested in women.” – Rick only looks at pictures of women.
- „I'll watch the sex scenes too.” – Rick also looks at pictures of Terence having sex with women.
- „Okay, I'll stop digging.” – Rick finishes work on the laptop.
- „Once I've started...” – Rick keeps digging and finds some serious secrets.

(If digging more.)

- „But rather the betrayal...” – Rick saves the compromising images.
- „No, I have to be a better person.” – He deletes the pictures.

Hint: Rick may use the pictures not only against his friend, but also against others in the future, so it's worth saving them.

Cora with Argay

- Click on Argay's picture if you want to know what Cora thinks of him.

In Argay's apartment

(This scene is shown if Rick is hospitalized in Chapter 4.)

- „I'm pulling my hand away.” – Argay Friend.
- „I'm not moving.” – Argay Romance.

On Argay's boat

(This scene is shown if Rick isn't hospitalized in Chapter 4.)

- „I step back.” – Argay Friend. If in Chapter 4 Cora did reject Argay's advances, then the Argay Lover route is now closed.

- „I kiss him.” – Argay Romance. If in Chapter 4 Cora did not reject Argay's advances, then the **Argay Lover** route is now open.

Hint: If Cora had previously rejected Argay but now kisses him, Argay will try again once more in the Chapter 10.

In the H&W

- „Why not, after all?” – Cora goes out with Daniel.
- „I'd rather not.” – Cora goes home.

In the Gamer's Heaven

- „I would be angry with Cora.” – This only appears if Rick has not yet cheated on Cora. If you choose this, then regardless of whether Rick cheats on Cora later, the divorce will happen.
- „I would be angry, but I might forgive her.” – This makes divorce optional. Rick and Cora will spend some time apart, during which they can decide what to do with their relationship.
- „I wouldn't care as long as she loves me.” – There will be no separation and no fights about it. However, divorce can still happen if trust problems persist.

Cora and Daniel in the Castle

(This scene is shown if Cora has not slept with Daniel in the Chapter 3.)

- „But better to nip this in the bud.” – Daniel Friend and Spouse route.
- „Keep it up.” – Daniel Romance.

Hint: Cora and Daniel can be just friends, which could be good for her later.

Cora and Daniel in his apartment

(This scene is shown if Cora has slept with Daniel in the Chapter 3.)

- „No, that's Rick's privilege.” – Ironically, this improves Rick and Cora's marriage, but the sex scene between Cora and Daniel will be much shorter.
- „Don't stop now.” – The sex scene will be longer and more varied.
- „This is a good idea.” – Daniel Romance, Cora and Daniel meet at the beginning of the next chapter, and their relationship could become more serious (**Daniel Lover route open**).
- „Or maybe not.” – Daniel Friend, their relationship remains on the physical plane (Daniel Lover route close).

Cora at home with Miri

- „The book sounds good.” – Cora goes for a bath. This choice has no effect on her relationship with Miri.
- „Watching a movie isn't a bad idea either.” – Miranda-Cora Friend, Cora watches a movie with Miri.

(When they watch a movie.)

- „A Few Good Man” – Miranda-Cora Friend.
- „Friends with Benefits.” – Miranda-Cora Friend and Miranda-Cora Romance.
- „The Thomas Crown Affair.” – Miranda-Cora Romance.

In the Gamer’s Heaven

- „God, I'd love to see her, and then...” – Rachel Romance.
- „And then nothing...” – This choice has no effect on his relationship with Rachel.
- „I insist on the taxi.” – Rachel Romance, increases slightly.
- „We'll walk.” – Rachel Romance, greatly increases.

(If they walk.)

- „I'll say goodbye.” – Rachel Romance, increases slightly.
- „I'll kiss her.” – Rachel Romance, greatly increases, Open Marriage route.

Home

(This scene only appears if the Miranda Lover route is not yet open, but Rick and Miri have already kissed.)

- „That's why we cannot do it.” – Miranda Hate, Rick goes to sleep, Spouse route.
- „And that's why I will not prevent it.” – Miranda Lover, Miranda gives Rick a blowjob, Open Marriage route.

(This scene is shown if the Miri Lover route is open.)

- „I'm going to bed.” – Miranda Hate, Rick goes to sleep, Spouse route.
- „I'll wait for Miri.” – Miranda Lover, Rick sleeps with Miri, Open Marriage route.

CHAPTER 9 PART I: BRANCHES

On Argay's boat

(This scene only appears if Cora and Argay have met in the apartment in the Chapter 8.)

- „I step back.” – Argay Friend. If in Chapter 8 Cora did reject Argay's advances, then the **Argay Lover** route is now **closed**.
- „I kiss him.” – Argay Romance. If in Chapter 8 Cora did not reject Argay's advances, then the **Argay Lover** route is now **open**.

Hint: If Cora had previously rejected Argay but now kisses him, Argay will try again once more in the Chapter 10.

In the SSG

- „Just a quick compliment first.” (Elizabeth Romance) or „Go to the boss.” (Elizabeth Friend)

(This scene only appears if Rick kissed Rachel at the end of Chapter 8.)

- „Okay, let's talk about it.” – Rick and Rachel discuss the evening's events. In this case, you will have the opportunity to decide whether to continue the relationship (Rachel Lover route) or end it for good.
- „Let's start by repeating.” – Rick és Rachel have been going at it (**Rachel Lover route open**).

(If they talk about the evening.)

- „I'm in.” – Rick and Rachel's relationship continues (**Rachel Lover route open**).
- „Better to have no hope.” – Rick and Rachel's relationship comes to an end (**Rachel Lover route close**).

(This scenes will only appear if Rick told Cora everything in Chapter 4 and/or gave her the money in Chapter 8 and the Rachel Lover route is open. If the Rachel Lover route is closed, Rick will not talk to Rachel.)

- „I'm having lunch with Jake.” – This is the best choice if you don't want Rachel to be jealous.

(If Rick says he's having lunch with Sam.)

- „I'll try to calm her down.” – Rachel calms down, values do not change.
- „Better to nip it in the bud.” – Increasing the Rachel Hate.
- „I'll go with her.” – Rick takes a trip with Cora to Argay's holiday home.
- „I stay at home.” – Rick stays at home.

Hint 1: This decision has a major impact on the events of Chapter 10. If Rick stays home, there will be two parallel storylines. Also, it further affects the story if Cora later chooses Daniel, Miranda or Beth, or if she goes alone.

Hint 2: Both choices favor the Spouse route, but if Rick didn't give Cora the money in Chapter 8 or tell her everything in Chapter 4, then staying home adds a small amount to the Divorce route too.

Cora has lunch with Daniel/Cora and Daniel in the office

(The lunch scene only appears if Rick didn't tell Cora everything in Chapter 4, he didn't give her the money in Chapter 8 and the Daniel Lover route is open. And the office scene can be seen if Rick decided not to travel with Cora and the Daniel Lover route is open. The choice is the same in both cases.)

- „I'd rather not invite him, just in case.” – Cora does not invite Daniel.
- „If you're not taking risks, you're not having fun.” – Cora goes to Argay's holiday home with Daniel in Chapter 10.

In the SSG with Kelly

(The next scene will only appear if Rick doesn't help Jake with the porn and doesn't offer Kelly any help to keep her job.)

(If Rick has no proof that Kelly is cheating on her husband.)

- „I shouldn't...” – With that, Rick rejects Kelly. In any other case, she sucks him off.

(If Rick opts for a blowjob.)

- „I warn her.” (Kelly Romane) or „She doesn't get off that easily.” (Kelly Hate)

Hint: If Kelly gives Rick a blowjob, he can no longer have sex with her because she immediately tells Cora what happened in the office. This will remain the case until Rick and Cora divorce or enter into an open marriage.

(If Rick has proof that Kelly is cheating on her husband.)

- „I choose the blowjob.” – Kelly gives Rick a blowjob.
- „I want more than that.” – Rick and Kelly having sex.
- „The video is worth more than anything.” – Rick rejects Kelly.

(If Rick chose the blowjob.)

- „I delete them all.” – Rick will delete all the videos so that they can no longer be used. This ends any relationship between Kelly and Rick.
- „I will not talk about the other copies.” – Rick secretly keeps some copies so he can use them later. However, they will no longer have sexual relations.
- „Let's complicate things a bit.” – Rick keeps some copies and tells Kelly about it. Kelly and Rick will have seven more times to have fun.

(If Rick chose the sex.)

- „Too bad we really don't have time.” – The scene ends and this ends any relationship between Kelly and Rick.

- „I don't care, let's go for round two.” – Rick and Kelly are having sex again. If you choose this, Rick can still sleep with Kelly later, but Burke will find out that there is something between them.

Hint: If Rick chooses sex, he can no longer blackmail Kelly. If he does try, Kelly shows the video to Cora. This will remain the case until Rick and Cora divorce or enter into an open marriage.

In the H&W:

(This choice only appears if Cora watched a film with Miri at the end of Chapter 8.)

- „I'll invite Mira.” – Cora and Miri go to the gallery together (Miranda-Cora Romance).
- „I prefer to go alone.” – In this case, Cora goes home.

In the gallery:

(This scene only appears if Cora is with Miranda.)

- „I'll buy it.” – Miranda-Cora Romance. The other option does not change the values.

Cora and Miri at home:

(This choice only appears if Cora has gone to the gallery with Miri and if Cora is not yet accompanied to Argay by anyone.)

- „I'm not inviting her.” – Miri stays at home.
- „I invite her.” – Miri goes with Cora to Argay in Chapter 10.

All three of them at home:

(The threesome could only happen if Cora went to the gallery with Miranda and Rick told Cora everything and/or gave her the money.)

- „I'd rather sleep.” – There will be no sex. This option only appears if Rick has not told Cora everything or didn't give her the money.
- „I prefer not to involve Mira.” – No threesome, Cora-Miranda Friend, Spouse route.
- „In threesome, let the experience be complete.” – Threesome, Cora-Miranda Romance, Spouse route, Open Marriage route.

(If Cora chooses the threesome and the Miranda Lover route is open.)

- „I play by the rules.” – Rick doesn't break the rules and don't touch Miranda, Spouse route.
- „Rules are sometimes worth breaking.” – Rick is fun with Miranda too, Open Marriage route.

(If Cora and Miranda didn't go to the gallery together, but Cora has a good relationship with her husband, she could still sleep with Rick. If their relationship is very good, the event is automatic, if not good enough, it becomes optional.)

- „Fuck it, I wanna have sex” (Spouse route) or „I want to sleep” (the values do not change).

CHAPTER 9 PART II: BRANCHES

Morning with Ashley

(This scene takes place only when the Ashley Lover route is open. And the choice is only made if Rick doesn't travel with Cora and the twins are on good terms. Otherwise the question doesn't even arise or Rick automatically just goes on the trip with Ash.)

- „We'll go alone.” – Ash and Rick go hiking alone. Ashley Romance
- „All three of us will go.” – Ash, Rick and Miri go hiking together. This will go a long way towards reconciling the siblings and getting Rick in a threesome with the twins.

In SSG

(This choice comes up when Malcolm is dead and Abby is alive.)

- „What does your husband say?” – Sam Friend
- „How are you?” – Sam Romance

(This choice appears when both Malcolm and Abby are dead.)

- „Perhaps some words of encouragement would help.” – Sam Friend
- „It takes more than a few words.” – Sam Romance

(This choice appears when Malcolm and Abby are alive.)

- „Perhaps she could ask her husband for advice.” – Sam Friend
- „She just needs a little support.” – Sam Romance

Cora in her office

(This choice only appears if Cora has not yet invited anyone and has not once refused Argay's advances.)

- „I'll invite Beth.” – Cora is accompanied to the island by Beth in chapter 10.
- „I'll go alone.” – Cora is travelling alone.

In the furniture shop

(This scene only plays out if Rick has offered to help in Chapter 7. And the choice appears if the Rachel Lover route is open.)

- „Oh, that's bullshit.” – If you choose this, Rick and Rachel will leave.
- „Hell no.” – In this case, Rick and Rachel go on a bit of an adventure, but how they do it depends on the previous decisions.

Hint 1: *If Rick and Rachel leave, they still get the bed, just without the spontaneous sexual adventure. They can then get together later in more romantic circumstances.*

Hint 2: *If Rick gave Rachel a massage in Chapter 7, kissed her at the end of Chapter 8 and they almost had sex in the office in Chapter 9, then Rachel is sleeping with Rick in the furniture store. If any of these are missing, she gives him a blow job in the car.*

Rick and Cora talking on the phone

(This choice only comes up if Rick has involved Cora and/or given her the money, and he is not travelling with her. Otherwise the choice doesn't arise or Rick automatically goes to Jake's.)

- „I'll go over to Jake's.” – In this case, Rick is going over to Jake's house for an „afterparty”.
- „I will go home.” – Rick is given the option of taking Ashley or Miranda to the party or going alone.

(The next choice will only appear if Rick doesn't go over to Jake's and the Ashley Lover and Miranda Lover routes are open. If only one is open, Rick automatically takes that woman. If neither is open, he goes alone.)

- „I'd like to invite Ashley.” – Ashley is accompanying him to the party.
- „I'd like to invite Miranda” – Miranda is accompanying him to the party.

Cora and Beth

- „Beth and Jake.” – The possibility opens up for Cora to have an independent relationship with Beth and Jake.
- „Beth, my BFF.” – The possibility opens up for Cora to have a relationship with Beth, without Jake. The **Cora-Jake Lover route closed**.
- „She's hot, whoever she is.” – She will have no independent relationship with Beth or Jake. The **Cora-Beth Lover route** and the **Cora-Jake Lover route closed**.

Hint: Whichever you choose, you can still swap in the future. They only open (or close) the possibility of Cora cheating on her husband with Beth and/or Jake.

(This choice only appears if Cora has looked at the Beth-Jake joint picture or Beth's separate picture.)

- „I wouldn't object either./ Sure.” – The **Cora-Beth Lover route opens**, Cora having sex with Beth.
- „Neither do I, but.../ Tempting, but...” – The **Cora-Beth Lover route closed**.

Kendra's house

(This scene only appears if Rick goes to the party with Kendra. The choice can be made if Rick didn't peep Kendra and Terence while they were having sex in Chapter 1, and/or didn't "entertain" her in Chapter 7.)

- „Sorry, I got lost.” – Kendra Friend.
- „Sorry, I can't help it.” – Kendra Romance.

- „You are beautiful.” – Kendra Romance and Kendra Friend.
- „It's elegant.” – Kendra Romance.
- „You look good.” – Kendra Friend.

The party

(This option is available in all variants.)

- „They are trying to discredit my wife./ I'll ask.” – Spouse route
- „This is Cora's fight, not mine./ None of my business.” – Neutral choice.

(This choice is only available if Rick is accompanied to the party by Kendra.)

- „I'd rather pass on the opportunity.” – Rick is not involved in Felicité's game.
- „I'll see what happens.” – Rick takes part in her game.

Hint: If Rick gets in on Felicité's game, he'll have the chance to sleep with her, and later, a Kendra-Rick-Felicité threesome could even be formed, and he could even be of help to Cora. But it also carries a serious risk.

(This option is available in all variants.)

- „Fuck, I'll be tough.” – This is the Russian mafia, there is no room for tenderness and politeness.

(This option is available in all variants.)

- „So I'm off.” – Rick leaves Jerry. This option is only worth choosing if you don't give a damn about Kelly and there is no longer any relationship between her and Rick, for example, Kelly is not involved in porn business.
- „Or I could stay.” – Rick stays and listens.

(If stayed.)

- „There's no time for delay.” – Rick takes more violent action against Jerry's father, Kelly becomes more grateful.
- „But don't have to be brainless.” – Rick uses his brain, Kelly is less grateful.

(This choice is only available if Rick is accompanied to the party by Kendra.)

- „How about this?” – Kendra Romance, but this option only appears if the Kendra Romance points are high enough.
- „I don't relax my embrace.” – Kendra Hate.
- „I let her go.” – Kendra Friend.

Farewell to Kendra

(The options are the same in the limousine as they are in Kendra's home.)

- „I kiss her face.” – Kendra Friend
- „I kiss her lips.” – Rick is kissing Kendra, but this option only appears if Kendra Romance is higher than Kendra Friend.

(If they kiss, and Rick peeped Kendra and Terence during sex in Chapter 1, and/or "entertained" her in Chapter 7.)

- „That's enough for the evening.” – They stop kissing.
- „Not enough!” – Kendra Romance, Rick grabs Kendra's breast.

(If grab her breast.)

- „I don't want to push my luck.” – They stop kissing.
- „Push the limits.” – Rick pulls Kendra's dress aside. This definitely adds to the Kendra Hate, but if Rick peeped Kendra and Terence during sex in Chapter 1 and "entertained" her in Chapter 7, then the points will rise only slightly.

Jake and Beth's apartment, if Rick comes over

(This section is only available if Rick is travelling with Cora or has previously chosen to go to Jake's.)

- „We stay.” – Rick and Cora stay, Open Marriage route, there will be a possibility to swap pairs or a simple group.
- „We retire to our room.” – Rick and Cora have sex alone.

(If they stay.)

- „Let's do it.” – Pair swap, Open Marriage route.
- „Let's skip this one.” – Rick only has sex with Cora, Jake only with Beth.

(If there is a swap.)

- „I hold on for my wife's sake.” – Rick also has sex with his wife.
- „This is Beth's turn.” – Rick only cares about Beth.
- „Just like now.” – Jake can only have sex with Cora if Rick can have sex with Beth at the same time and in the same place.
- „Anytime, anywhere with Beth.” – Rick can sleep with Beth anytime, anywhere, just like Jake can have sex with Cora anytime, anywhere.

Hint: Ha a "bármikor, bárhol" opciót választod, de a Cora-Jake Lover útvonal le van zárva, Cora minden esetben automatikusan elutasítja Jake közeledését. A "csak úgy, mint most" esetében azonban nem számít, hogy a Cora-Jake Lover útvonal zárva van-e vagy sem.

(If there is no swapping.)

- „I didn't take any risks.” – Spouse route
- „What the hell.” – **Rick-Beth Lover route open**, Divorce route.

Hint: If Cora has been absolutely faithful to Rick (i.e. no romantic relationships with women either), she will become seriously suspicious of Rick if he kisses Beth.

Jake and Beth's apartment, if Rick doesn't come over

(This choice only appears if Cora has looked at the Jake-Beth joint picture.)

- „Oh, fuck it, I'll let him.” – Cora sleeps with Jake, the **Cora-Jake Lover route open**.
- „No, I can't do that.” – **Cora-Jake Lover route close**
